

SHE JOINS MODEL UNITED NATIONS

I can positively affirm that this year has been one of the most exciting years of my life (until now 😊)! Life itself is full of mysteries and surprises that keep us moving forward and encourage us to pursue our dreams and deepest desires.

I was part of the group invited by Ms. Lucia Helena Oliveira and Ms. Rosana Paes to participate in New York's IMUNA (International Model United Nations Association) sponsored by the National High School Model United Nations (NHSMUN). I can certainly say that this experience has changed the course of my future, academically and personally.

Not content with having to say goodbye to school, my senior year and NHSMUN, I decided to find a way of getting involved with IMUNA. Confident and determined to travel this path of uncertainty, I sent my staff application form as soon as they opened. After an interview I was invited to be the ASSISTANT DIRECTOR for WHO's (World Health Organization) 2012 NHSMUN edition!!!

and NHSMUN, I decided to find a way of getting involved with IMUNA. Confident and determined to travel this path of uncertainty, I sent my staff application form as soon as they opened. After an interview I was invited to be the ASSISTANT

DIRECTOR for WHO's (World Health Organization) 2012 NHSMUN edition!!! It's an honor to have this wonderful opportunity of being probably the first Brazilian staffer participating in MUN, and to have the privilege of meeting this awesome group in NYC next year! First, I'd really like to thank God and OLM's NHSMUN project! Second, I'd like to thank Lucia and Rosana for all the support and encouragement they gave to the whole group—you guys are AWESOME!

I encourage each and every student who has the urge to keep on working with MUN to really go for it! The sky is the limit for those who dream and seek the ways of achieving it! MISS YOU ALL!
