

Rio, July 2021.

Dear Parents and Guardians,

In constant search to better serve our students, we are pleased to inform you that OLM SCHOOL has renewed its contract with "Canadá Corretora de Seguros", a pioneer company which specializes in insurance for schools and offers important benefits in its plan (Personal Accidents) for all students.

Definition of the type of accident enabling use of "Canadá Seguros": an event which is subtle, involuntary and violent, causing physical lesions, leading to the need of medical treatment.

The main characteristics and advantages of "Canadá Seguros" are the following:

- ✓ 24 hour accident coverage in all National Territory.
- ✓ Client Coverage of Medical and Dental costs, operating rooms, anesthesia, medications, x-rays, lab expenses, etc.
- ✓ **Medical Guide providing important information regarding Personal Accident benefits offered by "Canadá Seguros": a listing of all associated Clinics, rules for use of insurance, coverage and detailing, and exceptions of the Partner Plan Program. New clients will receive a Medical Guide and an ID card containing operational instructions. Those already insured should continue to use their current Medical Guides and ID cards. All updates of the Guide are available on our website - [www.canadaseguros.com.br](http://www.canadaseguros.com.br).**

**Attention** - Expenses of medical costs, surgical team anesthesiologist, and complementary exams with covered accidents **outside the coverage area (free choice)**, will be indemnified according to the limits and conditions of the established values of the "Procedimentos Médicos da Associação Médica Brasileira" (Table Amb-Lpm/99) in accordance with the school's contract and the general conditions of the policy.

For prior information on the refund limit value through procedure, please contact "Canadá Seguros".

**AUTHORIZATION PASSWORD FOR ATTENDANCE** - the password can be obtained from Monday until Friday, from 8:00AM to 6:30PM. The proper hospital or clinic will request this password for using Canada Seguros.

**IMPORTANT:** In the case of having received care outside the schedule of functioning of CANADA, the INSURED or its responsible, will have to pay for the given services directly to the Clínica/Hospital, in accordance with the values established in the contract of the Hospital with CANADA (table of the Brazilian Medical Association - AMB, etc.), for posterior request of reimbursement.

**Insurance validity – July/01/2021 to June/30/2022**

Insurance individual validity – begins on the date the student is enrolled in the plan solicited by the Teaching Establishment.

**The communication of the accident to the insurer must be made within a maximum of 30 days**, with or without medical and hospital expenses.

Only the medical and hospital expenses incurred by the insured person will be covered, if the claim is filed within thirty (30) days from the date of the accident and under medical supervision.
